Q **I've heard you are getting married at Camp YMCA of the Redwoods. What's it all about?**

A Our wedding is a grass roots effort. From our high priestess, Sirena to the photographers (Tahnee, Brian & Gina), DJ Harris, decorating committee, musician's and entertainment. The entire weekend is being created by the community of our family and friends. Clearly, one day together just isn't enough time. Many of you, our favorite people, are coming from all over the country to celebrate with us. We want you for the whole weekend! Camp Campbell is a seventy-acre private camp facility nestled in the beautiful Redwood forest of the Santa Cruz Mountains. With its hiking trails, 34 foot climbing wall, high and low ropes course, and outdoor heated pool, you'll get a weekend packed with fun activities. During your cozy two night stay, you will be housed in clean, rustic, heated winterized cottages that hold anywhere from seven to twelve amazing people (friends or family members whom you know). Delicious homemade meals will fill your hungry appetites. We reserved the whole camp just for our wedding and look forward to spending the weekend with you!

[BACK](#)

Q **How is this wedding different from other weddings?**

A Our main goal was to create a fun, relaxing and welcoming environment for all of our family and friends. Initially, our only plan was to have an enclosed wedding for a weekend at a hotel, so guest could relax once they arrived, eliminating the driving. Many hotel & retreat sites were either too stuffy or very strict with rules. We wanted the freedom to create our wedding from scratch. The camp idea lent itself to just that. Therefore since we are creating the

event ourselves, the feel is very casual. We wanted it to represent our style. Most weddings are just for the day, our wedding kicks off with a Friday night Bar-B-Que beginning at 5 p.m. and ends Sunday with creekside poetry and brunch.

[BACK](#)

Q When I received my invitation it said to RSVP by June 1st, that is only a week away. What's up with that?

A Oops! In our enthusiasm to plan this wedding weekend, Kevin & I miscalculated slightly on how long it would take to design and hand craft each invitation. I thought for sure it would take but a moment! Even though this was not the case, much love went into each and every fold of the card and lick of the stamp. We appreciate your understanding and would like to encourage guests to RSVP back as quickly as possible. Currently, we have been working around the clock to finish our website. We hope the site has provided you and will keep on providing tons of information to help make the decision process an easy one. Thanks for visiting FAQ. Feel free to explore the other areas of our site!

[BACK](#)

Q Why in your invitation did you ask for my e-mail address? What if I do not have e-mail?

A Whether you decide to RSVP by filling out the bottom portion of your invitation and detaching it (snail mail style), or by using the website to RSVP, you will notice in both instances we have asked you to give us your e-mail address. The purpose of this is to keep you informed/update and/or to communicate with you about the details of our wedding event. We promise not to Spam you with pitches to buy Kevin's CD. Nevertheless, if you would like to purchase one, listen to, or find out when his next show is, just visit his website at www.kevinmerritt.com If you do not have an e-mail address, no worries, there are always alternative methods by which we can reach you.

[BACK](#)

Q Do you really need a photo of me? Can I send it via e-mail? Do I get it back?

A Yes! Pretty Please. We have thought of a fun project/game that we would love to create. Although Kevin & I probably have pictures of you already, we want to make sure we use the one you like. Hee Hee! You can send a photo via e-mail. If you use this method, be sure to scan it no more that 150 dpi resolution (if you "scan for the web", that should work fine).... If you send us a photo with your "snail mail" RSVP we will give it back to you. We will just make a copy of the picture before returning it.

[BACK](#)

Q Okay, so camping is where it is at. How do I reserve my space?

A So glad that you are interested in staying the camp with us. All that needs to be done in order to stay at the camp is either RSVP on line and choose "Yes, I want to stay at the camp". Then you have the option to pay on line using Pay Pal (which is very safe). Or you can always just mail back the bottom portion of your invitation and send it back to us with an enclosed check for the appropriate amount. You can make checks payable to Kevin & Leslie Merritt. The reason why the checks are payable to us rather than the YMCA camp is because the camp does not want to deal with hundreds of people sending them individual checks. Rather, they wanted us to collect the money and write one big check to them. It is much easier for the camp this way. Just to let you know exactly what your (\$100/\$85)/ person weekend goes to, it in no way, pays for any part of our wedding. It does cover the cost of a two night stay and three meals (Sat. Breakfast, lunch, and Sunday brunch). Friday night and Saturday night dinners are being hosted by the Pfeiffer and Merritt family.

The break down then is:

\$39.5/night for housing and \$7 x (3 meals) = \$21 Grand Total \$100 for the entire weekend per person.

This probably the most inexpensive accommodation and we think the best choice!!!

[BACK](#)

Q Can I pay for my camp accommodations or extra meals online?

A As a matter of fact, YES. We have set up our system to allow you to pay by credit card through the secure service PayPal.com. It's very easy to do and many people have already taken advantage of this. When you [RSVP online](#) you will automatically be given the option to pay by credit card. If you would like to go directly to the payment page you can access it through this link. [GO TO PAYMENT](#)

Please note that there is a 3% credit card service charge when you pay online. Sorry.

[BACK](#)

Q What about alternative places to stay? I am more the hotel type.

A No problem. Just return to the main web page and under "Camp Info" you will find a button for Alternative Accommodations with links to their website and photos.

[BACK](#)

Q Even if I do not stay at the camp, can I participate in the weekend activities?

A YES YES YES! All activities are free and all guests are welcome. With one exception, if you want to eat

Saturday breakfast & lunch, and Sunday brunch at the camp it is \$21/ person (for all three meals). Remember, the Friday night Bar-B-Que is open to all guests and hosted by the Merritt's, so we want to see you there.

[BACK](#)

Q What if we're staying at a hotel but want to eat Saturday breakfast & lunch & Sunday brunch at the camp?

A This is not a problem at all...and we would love for you to join us as much as possible. If you want to eat Saturday breakfast & lunch, and Sunday brunch at the camp it is \$21/ person (this is for all three meals). This comes to \$7 per meal per person. You can pay for the "Additional Meals" by either using the website option or you can mail us a check payable to Kevin & Leslie Merritt. We will then record this and send your payment to the camp. Remember, the Friday night Bar-B-Que is open to all guests, and hosted by the Merritt's. We would love to see you there. Saturday's wedding reception of course is open to all guests and is being hosted by the Pfeiffer family.

[BACK](#)

Q When is the ceremony & reception? What is the schedule for the weekend?

A The wedding ceremony begins at 5:00 p.m. on Saturday September 15th. The wedding reception begins at 6:00 p.m. right after the ceremony at Scopazzi's restaurant. Shuttle buses will be waiting at the camp grounds to drive guests over to the restaurant, which is five minutes away. After dinner the busses will drop guests back off at the camp grounds for our dessert reception followed by dancing.

Weekend Sample Schedule: Most of these activities are confirmed, however the times may change slightly. Therefore, a final schedule will be posted closer to the event as well as given out once you arrive at the camp Friday evening.

Friday Night 5:00 p.m. "Welcome Bar-B-Que in the Picnic Area"
 Friday Night 7:00 p.m. "Sing-A-Long and Talent Show at the Outdoor Theatre"
 Friday Night 11:00 p.m. "Sleeping Under the Stars in the Meadow "

 Saturday 8:00 p.m. "Dessert Reception & Dancing in Sommer Lodge"
 Sunday 10:00 a.m. "Brunch in the Dinning & Rec Hall "
 Sunday 12:00 p.m. "Creeside & Redwoods behind the Nature Lab by the river"
 Sunday 8:30 a.m.- 12:30 p.m. "Free Swim at the pool"

Sunday 1:00 p.m. "Leave No Trace and Say Good Byes"

[BACK](#)

Q What is the dress code for the wedding?

A The dress code for the wedding is dressy causal. A few examples would be: Sundress, khakis and a polo shirt, pants and button down, nice jeans, Indian wraps are always fun, cute jump suit....you get the idea.....it is at a camp.....so nothing too fancy unless that's your thing.

[BACK](#)

Q Where do I park at the camp?

A In keeping with the goals of outdoor recreation in a camp environment, vehicles are restricted to the parking lot on the roadside of the river. Vehicle traffic in camp endangers the root system of the trees by compacting the soil, and is a safety hazard to guests. If this parking will not be adequate, please notify us in advance. We realize many of you may have lots of luggage and may not know where to go once you've parked. After you have parked your vehicle, walk across the bridge and "The Wedding Party Greeters" will be there to meet you, help you with your baggage and show you to your cottage. The camp provides carts to help move heavy or bulky items into the camp. Please try to car pool whenever possible, the camp can only hold about 60 cars. In addition, if anyone would like to volunteer as an official greeter, please go to the "Committee" section for more details.

[BACK](#)

Q If I am coming from far away, when should I arrive on Friday so I don't miss out on the fun?

A We suggest that most folks arrive around one or two in the afternoon on Friday. This way you will have plenty of time to rent a car and drive down to the camp or your hotel. The Bar-B-Que will about five o'clock that evening.

[BACK](#)

Q What is this Friday night Bar-B-Que dinner thing all about? Who can go to it? What time does it start?

A Rather than having a traditional Friday night dinner, that usually is only for the wedding party, we decided to plan a Welcome Bar-B-Que, open to all guests. This way we can spend more time with you and introduce you to all

of our favorite people. Delicious home cooking will fill your bellies as you sit and chat with some amazing individuals. The dinner begins at 5:00 p.m. followed by a talent show. Don't miss out on the fun!

[BACK](#)

What is involved with the Friday night talent show? Can anyone sign up?

We decided on having a talent show Friday night as a way for our guests to relax, have fun and get to know one another better. Every one of you invited is extremely talented with a beautiful gift to share. Whether singing is your thing, playing an instrument, story-telling, jokes, acting, magic tricks or philosophical exploration...all is welcome and encouraged. In order to help us coordinate this event, please sign up on our "Talent Show" page. Just a few things to keep in mind when signing up. Try and keep your skit no more than five minutes long. This is just so everyone has an opportunity to share his or her stuff and to make sure the show doesn't go too long. Can't wait to see you on stage!

[BACK](#)

Where is the wedding reception dinner taking place? What kind of food? How do I get there?

The wedding reception is going to take place at Scopazzi's Restaurant on Saturday, September 15th, 2001 at six o'clock in the evening. This dining establishment is the big rave in Boulder Creek. Once you taste the food you will see why many folks give it the two thumbs up! You may have noticed that when you RSVP online, we asked you what dish you would like for dinner Saturday night. Our choices for dinner are as follows:

FISH- Blackened Halibut over Pasta

CHICKEN- We're still choosing between Chicken Mascotte, Mediterranean or Cacciatore. Can't decide.

VEGGI- A close friend of ours, Greg Hottinger has allowed us to steal his scrumptious vegetarian lasagna recipe. Scopazzi's has been kind enough to add this dish to our menu .

We also asked you to give us your choice of beverage. This is just to give us better clarity on how much wine to provide. All of the wine for the evening has been hand picked from our favorite winery, [Bonny Doon Vinyards](#). A variety of beer choices will also be provided during dinner as well as soda, tea and coffee. For those who prefer liquor, you can purchase drinks in the lounge at anytime.

How to get there. After the ceremony, shuttle buses will be waiting at the camp grounds to drive guests over to the restaurant, which is five minutes away. After dinner the busses will drop guests back off at the camp grounds for our dessert reception followed by dancing. If you would like to drive there instead, [click here for directions](#).

[BACK](#)

I am a vegetarian. Can you help me?

A

You're in luck! Kevin & I are sensitive to this issue since many of our friends and family enjoy a vegetarian lifestyle. During the Saturday night dinner we have provided a choice of yummy vegetarian lasagna. In addition, Camp Campbell's menu facilitate easy adjustments for vegetarians, and they told us it would be their pleasure to meet specific needs. Please let us know early on if this applies to you, so we can notify the camp.

[BACK](#)

Q

How is the weather this time of year?

A

The weather, this time of year is just gorgeous...we hope. It is California's Indian summer. We've been told temperature range from warm swimming weather during the day, to cool sweater weather during the night.

[BACK](#)

Q

Do I really have to get you a gift? I heard your apartment in NY is the size of a shoebox.

A

That is right. We don't have much space. Please check out our registry sections for more details on gifts. It will be online soon, we promise!

[BACK](#)

Q

How can I help out? Are there committees?

A

Boy this is music to our ears! If you would like to get involved on a committee, just click on the committee page and you will see all of the areas we need volunteers. In our grass roots effort, we understand how amazing a community of friends can be...and we promise not to ask too much from you. Thanks so much for your interest & getting involved! You are the shoulder we can lean on.

[BACK](#)

Q

Do you have any suggestions for cheap airline tickets?

A

As a matter of fact, we do! Just go back to the Camp Info page and there you will find a button for Airline links. If you are coming from out of town, you can either fly into San Francisco, Oakland or San Jose airports. Each are about an hour and a half from the camp but make sure you leave plenty of time available in case of traffic. The San Jose & Oakland airports are much smaller than the San Francisco airport. However, ticket prices might be

cheaper into San Francisco. Happy travels and remember- Right Foot First When Boarding the Plane! Check out www.travelocity.com for some good fares.

What are the cabins really like? And how does the sleeping arrangement work?

Camp Campbell has 15 cozy wooden cottages that house anywhere from 7-12 guests (amazing people, friends and/or family members whom you know). Half of the cottages are located on one side of the camp in the "Indian Village", the others are located in "El Pueblo Village" on opposite side of the camp. The camp is pretty small so you don't need to worry about which side you are on. These rustic cottages are heated, winterized and very clean. We have contracted a linen service to provide basic linens for each bed (top & bottom sheets and blanket). Here is how the cottage arrangements will work. First submit your RSVP to let us know you wish to stay at the camp. Next, we will begin coordinating people in cabins. At this point, we will e-mail/call you requesting housing preferences if any (people whom you would like to share housing with). We will work very hard to make sure everyone is happily paired off, family with family and friends with friends. You can get an idea of what the cottages look like by clicking on the "Camp Tour" page, and double-clicking on Cabin #2.

[BACK](#)

What are the bathroom facilities like?

I promise you the bathrooms at the camp are not dirty smelly Port-O-Lets. Camp Campbell provides two main bathroom facilities, one for each small village. Each men and women bathroom offers plenty of showers, sinks and stalls. To ease your mind a bit more, the camp staff cleans the bathrooms daily. Keep in mind, water conservation is a must. Although it may appear we have plenty, remember there are many people who also use it. Each person should limit his or her shower to 5 minutes of running water. If you are one who really enjoys the water, may we suggest taking a nice dip in the pool.

[BACK](#)

What should I bring with me if I stay at the camp?

Try to pack compactly. Luggage carts are available for taking items to the cottages.

Bedding- Although we are providing basic linens, if you would like to bring additional blankets or sleeping bags, you

are more than welcome.

Clothing- Dress is casual and appropriate for camp. We suggest pajamas, shoes (hiking/sneakers), socks, underwear, t-shirts, sweaters, jacket, jeans, and shorts. The dress code for the wedding is dressy causal. A few examples would be: Sundress, khakis and a polo shirt, pants and button down, nice jeans, Indian wraps are always fun, cute jump suit....you get the idea.....it is at a camp.....so nothing too fancy unless that's your thing.

Toiletries- TOWEL is the big one! We could not find a company to get us towels...sorry! toothpaste, toothbrush, comb, deodorant, chapstick, flip-flops for shower, sunblock, insect repellent, soap, shampoo.

Optional Equipment- flashlight, camera, binoculars, compass, cards, board games, books, musical instruments, sunglasses, lounge chair, pillows, Frisbees, toys, crafts...

What Not To Bring- glass bottles, aerosol cans, knives, firearms, TV, refrigerator...

[BACK](#)

Q When do we have to leave the camp on Sunday?

A Just following Sunday Brunch & Creekside we would like to encourage all camp guests to help us in a big sweep of the camp (clean up of your cottages) and to circle up at the flagpole for a big farewell goodbye.

Creekside- this is an activity that will take place along side of the river next to the stage, where guests can gather round and share thoughts, poetry, songs, experiences and/or feelings. It is a magical experience that you do not want to miss.

[BACK](#)

Q What is the camp food menu for the weekend?

A The camp food menu for the weekend consists of delicious meals all approved by a dietician. The meals are not the same meals served during the summer camp period. Rather they are a bit fancier (higher quality) type meal. Check back with us in a few weeks and we will have a better idea of the weekend menu.

[BACK](#)

Q What kind of facilities does the camp have?

A Camp Campbell provides many activities that may complement your stay. We have decided to take full advantage of this by creating a weekend packed with fun, both in and out of the water. The Camp Campbell staff is certified & trained to bring about an excellent experience.

What are the rules of the camp?

Most of this stuff is pretty common sense, however, in case you forget, on the back of each cottage door you will find a copy of the camp and cabin policies. They are as follows:

No glass or gum in camp.

You must wear footwear in camp at all times. (Expect for swimming & showering)

Please do not write on the walls, doors, bunks, mattresses - any graffiti will be costly.

Please leave all exits in cabins clear at all times. This is for fire safety purposes.

You may put posters up with tape or push-pins (no nails, staples, or painting).

Please do not remove brooms, dustpans or wastebaskets from cabins.

Please park all vehicles in the parking area.

Before leaving please tidy up and pick up any trash around cabin.

The waterfront can only be used during designated times when staff is present.

Please do not move bunks.

Personal Property

Use common sense in being responsible for your personal possessions. We are among friends, so I know we don't need to worry. Just be smart.

Medical Needs

Nominal first aid concerns (cuts, bruises, etc.) will be handled by us. The Camp Campbell staff cannot administer any (non) or prescription drugs...sorry!

Injuries

If someone is injured at camp, we will take the necessary steps. It is extremely important that an Accident Report be completed if an injury happens during your stay. See the Host or camp staff to help you with the completion of the form.

Vehicles

A speed of 5 mph is enforced. Parking is in designated lots. You cannot drive up to cottages.

Smoking

Smoking is allowed in only two designated areas. Outside back door of Sommer Lodge and the front porch of the Rec Hall.

Drugs/Alcohol

Is prohibited on Camp Campbell property.

Camp Fires

Campfires are allowed only in designated fire areas. Wood is provided for all campfires and fireplaces.

Quiet Hours

11 p.m. - 7 a.m. Local Ordinance

Pets, Firearms, Boats, Cooking

Pets, firearms and boats are not permitted to be brought to the camp. Cooking and food storage is prohibited in the cabins due to rodent problem and sanitary standards.

Heating

Controlled heating devices are used in cabins. You may adjust thermostat but do not tamper with electrical equipment in cabins. Please do not place anything on heaters, as it is a fire hazard.

Camp Clean Up

Try to do your part in keeping the campgrounds and bathrooms clean. At the end of our event on Sunday, we are doing a big sweep of the forest, to make sure that we LEAVE NO TRACE at Camp Campbell. Your help is much appreciated!

Damages

Please do not damage anything.

Telephone

The camp pay telephone (831-338-9948) is located behind the Dining Hall. We will place all messages on the bulletin board at the office.

Water Conservation

Water conservation is a must. Although it may appear we have plenty, remember there are many people who also use it. Each person should limit his or her shower to 5 minutes of running water. If you are one who really enjoys the water, may we suggest taking a nice dip in the pool.

Emergency Procedures

In case of a fire, earthquake, or lost camper, ALL guests should be aware of the following procedures:

1. An alarm will announce a fire, earthquake or lost camper.
2. Upon the beginning of such an alert, everyone should go directly to the baseball field.
3. A head count will be taken.
4. At this time, the host will give the procedure best suited for the emergency at hand.

Dining Hall Orientation

After meals, kindly pick up your plates and scrape the remaining food into the trash, separate utensils and dishes into correct piles and throw out any paper that that is left.

[BACK](#)

Q What does "Leave no Trace" mean?

A Leave No Trace means that after we have left the camp site, there is no indication of our ever having been here. We must respect nature and the beauty of the Santa Cruz Redwood Forest, therefore we should leave the camp the way we first found it. The YMCA will be very happy we did this.

[BACK](#)

Q During the sing-a-long, what if we do not know the words to any camp song?

A No worries! Kevin & I will provide songbooks for you with the lyric to many of the oldies but goodies. If you're still having trouble, just tap your foot and hum to the beat...no one will ever know!

[BACK](#)

Q How many s'mores per person?

A This question has been the big one on everyone's lips. In the olden days, when s'mores were scarce to the countryside, campers use to sit around the o' fire an ration these tasty treats out, giving just one, single marshmallowy sandwich per hungry mouth. These days, a lot has changed. The once scarce snack is now of plenty thanks to mass production technology. So we say, GO FOR IT! Just try not to get a bellyache.

[BACK](#)

Q I've got more questions! How & who do I contact for the answers?
